Text: Hey I hope everyone is good. I wanted to just share how I am feeling. I feel lonely. I have children who are older. Divorced. Not much other family.

Everyone is talking about their plans it just magnifies my loneliness. It's not about having plans but about having and nurturing a happy christmas h...

Text: I literally have not been on a scale in so long. I literally left a toxic relationship (it was ongoing for 6 years on and off) and then months later serendipitously I found such a wonderful human being to share my life with. I've been very happy in this healthy relationship, but I believe I have g...
